

# Combination—Composite

## Shutter Specifications

Shown with Louvers over Raised Panel

### Materials Available:

Extira Engineered Exterior Composite

### Finishes Available:

Unfinished—ready to prime and paint or stain  
 Factory Primed—ready to lightly sand and paint  
 Factory Painted—9 standard, unlimited custom colors

### Assembly:

Tongue and groove construction with high-quality industrial glue, 1" staple through back tongue.

Louvers crafted from one solid piece with no space between louvers. Composite shutters are intended for decorative use with louver detail only on front side.
